

International Women's Day *Celebration*

March 31, 2016 ♦ Student Union ♦ UNC Charlotte

International Women's Day (March 8) is recognized by groups around the world. This date is commemorated at the United Nations and is designated in many countries as a national holiday. When women on all continents, often divided by national boundaries and by ethnic, linguistic, cultural, economic, or political differences, come together to celebrate this day, they can reflect on a tradition that represents more than one hundred years of struggle for equality, justice, peace, and development. This is the 11th annual celebration at UNC Charlotte.
